The organizer would like to take this opportunity to thank all exhibitors, sponsors, supporters and visitors for your wonderful contribution which have helped foster the future of Vietnam's woodworking industries. We believe that with thousands of contracts and new partnerships established during the shows, the future ahead of Vietnam's industries are very optimistic.

FEEDBACK ON THE EXHIBITION:

Exhibitors said that Vietnamwood is one of the biggest Woodworking manufacturing fair in Vietnam, and they are satisfied with the result, effectiveness, and service of the organizers. Over 75% confirmed their interest to participate again in the next edition 2017.

A total of 82% of Vietnamwood's exhibitors rated the show professional, the staffs are friendly and enthusiastic, the preparation is very good, and exhibitors were informed with all necessary information, lots of potential customers.

Please stay tuned for the updates of our 2017 edition at www.vietnamwoodexpo.com

See you again in 2017 October 18-21 at SECC, HCMC!
